BRINGING COMPUTERS TO LIFE

Mobile Mini Speaker

High-performance audio for MP3 players, mobile phones and more

Model
161107

Mini size with maximum sound.

Improve and enjoy mobile audio experiences with the MANHATTAN® Mobile Mini Speaker. It's small but delivers impressive, full-range sound from iPods, iPhones, notebook computers, MP3 and portable CD/DVD players, mobile phones, hand-held games and other portable media devices. A unique, retractable resonator easily extends to further deepen and expand bass response and enhance audio performance. Its 3.5 mm stereo / USB type-A male to USB mini B male cable quickly connects to easily share music and other audio or when headphones aren't desired. The built-in rechargeable lithium battery provides up to eight hours of use and enjoyment. Compact and lightweight, it stores in a pocket, purse or notebook computer case and quickly installs without special drivers or an external power supply to enjoy favorite sounds almost anywhere.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

LIFETIME WARRANTY
